## Spirit of patriotism celebrated in CDFE.

Our school observed the 77th Independence Day with dignity and honour. The 77th Independence Day was celebrated with great joy at our school. The ceremony started at 9.30 AM in the school premises with a large crowd of teachers, parents and students. On this day the school campus was nicely decorated with flowers and flags. Students came to school in clean school uniforms. All stood in rows.

Our Principal and chief guest hoisted the National Flag. Then we all saluted the flag and sang our National Anthem together.

A cultural program was also held in the school where students of all classes participated. Some students sang patriotic songs and some recited poems and cultural dance. Some made speeches. After that, our Principal and chief guest told us the importance of the day. Everyone enjoy the day and remembered the freedom fighters of our

country. At the end, sweets were given to all.

## Tree Plantation by CDFE.

A very auspicious tree plantation programme was organized in our school to create an awareness regarding climate change and its adverse effect on us. The program started at 9:00 am. A range of 200 plants were planted in the school garden and periphery of the school playground to create an awareness about saving trees. Classes 6th - 12th students planted many flowers and specially and neem tree as it contains medicinal properties. The program ended at 12 pm.

By the end of the tree plantation programme we all were exhausted and wanted to sit under

the tree already present in the garden. At 11:30 a.m our honorable Principal sir gave a speech on benefits of planting trees, how it helps cleaning the environment and uses of medicinal plants.

We as a school pledged to plant as many trees as possible near our areas so as to create a very healthy environment and contribute in minimizing the climatic changes. We hope that everybody plants a tree in their lifetime and contribute in conserving the nature.

**If you cut a tree, you kill a life. If you save a tree, you save a life.**

## Happy Raksha Bandhan, Celebrating a bond of love, respect and all good things.

Raksha bandhan, A beautiful bond of love, trust and responsibility forever.

Raksha bandhan is a special occasion to celebrate the eternal and auspicious bond between brother and sister.

Our school organised a competition on Raksha Bandhan, in which students shown their creativity and make beautiful rakhis. The tiny tots and other classes celebrated this festival with great zel and endeavour on 30/08/2023. Students enjoyed a lot and make too much happiness and fun.

The main objective behind celebrating Raksha Bandhan was to make the children aware of the virtuous bond of love between brother and sister which is one of the deepest and noblest of all human emotion.

## Trust your instincts. If a touch feels bad, speak up and seek help.

A day was specially dedicated to safeguard and protect our teeny weeny toddlers and give them the warmth of wellbeing through a deliberately planned workshop on “Good touch and Bad touch” .It was headed by one of the teacher of our school

Mrs. Sheetal Sharma. She explained to the students how can they feel about good touch and bad touch and what should they do in this kind of situation. The children learnt to identify the “No touch” areas and understood that who are safe adults and whom to report when there is an alarming situation.

They also learnt to handle strangers and say ‘NO’ to unwanted touches by running away and

shouting out loud. They were taught to inform about such happenings to the adults they trust and immediately report if they were told to hide the same from their parents.

The demonstration conducted by the teachers gave a clear picture about the safe circle and it was truly gratifying to see children creating their own safe circle by pasting the pictures of their parents and siblings. This practical presentation helped our little ones to recognize, safeguard and protect themselves against such dangers from an early age. The moto of the session was to enlighten the children that their body belongs to them and they need to stay safe and secure.

# Like a candle , Teachers burn throughout to lighten our lives with their knowledge and leave us with their knowledge and wisdom.

# May the lord show you the way to righteousness, Janmashtami Celebration.

Sweeter than honey, tastier than curd, pleasanter indeed than any happiness, and joy is the company, is the power of the name of Krishna .

On Wednesday, 6th of September 2023, the students of Victorious Kidss Educares celebrated Janmashtami. The students of Pre-Primary and PYP (Primary Years Programme) came traditionally dressed as Radha and Krishna. A splendidly colorful program was organized by the children and staff of the school; where students presented songs, dance performances

and a short role play.

The students were overjoyed when they broke the 'Dahi Handi' (pot of butter & curd) to grace this occasion. Dahi Handi is the most ancient joyful game played and celebrated, for the birth of Krishna in Janmashtami. It is celebrated amidst merriment. Young men and boys form teams, make a human pyramid and attempt to reach or break the pot.

The event is based on the legend of the Krishna stealing butter and other milk products as a baby (he is also called Makhan chor). The little Krishna scrambling upon his friends who form a human pyramid to reach the Dahi (butter & curd) Pot. This holy occasion brings people together, thus signifying unity and faith.
